

July Newsletter

Welcome to a special edition of the International WIM Alliance newsletter.

This month, we're proud to unveil our new brand identity, carefully developed and finalised by our Steering Committee, alongside the launch of our new website and fresh updates from WIM Organisations around the world.

Moving forward, you can expect all International WIM Alliance communications to come from our new domain, so please ensure you have secretariat@wimalliance.org in your approved email lists!

As always, thank you for being part of this journey. Your continued support is what drives us forward as we step into this next chapter of growth

Warm regards,
The International WIM Alliance Team
