

October Newsletter

Welcome to another edition of the WIM Alliance Newsletter.

This month's edition focuses on how we can amplify progress, whether it's through communicating shared success, providing support, or offering education to increase opportunities.

In this month's newsletter, you'll find:

- An update on our WIM Success Lab
- New Success Lab regional support
- Plus news, updates, and events from WIM Organisations across the globe

As always, thank you for being part of this journey. Your continued support is what drives us forward as we step into this next chapter of growth

Warm regards,
The International WIM Alliance Team

THE WIM SUCCESS LAB

**BUILT BY OUR COMMUNITY
FOR OUR COMMUNITY**

WIM SUCCESS LAB

The WIM Success Lab is designed for the people powering change in mining.

WIM Success Lab, a World Bank EGPS project delivered by IWIM in collaboration with Satarla for the International WIM Alliance, is an e-learning resource shaped by insights and practical case studies from WIM Organisations worldwide. It's practical, flexible, and focused on the real challenges WIM Organisations face every day—from governance and communication to credibility and sustainability.

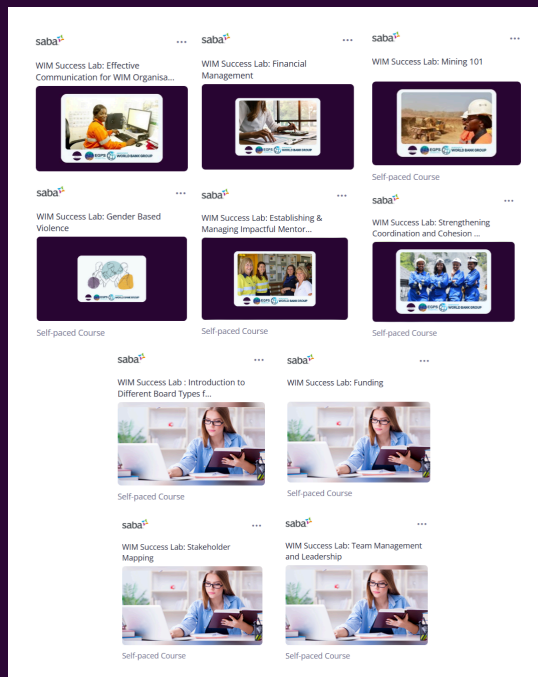

These practical modules are designed to support stronger leadership, improved governance for WIM Organisations worldwide. Whether you're running a

national network, local chapter, or just starting out, the Success Lab gives you the tools to grow with confidence.

Courses are also available to your members. Please do share this information with your members via your communication channels.

The following courses, available in English, provide the practical tools needed to grow, lead, and make a meaningful impact. They are:

- Strengthening Coordination and Cohesion in Women in Mining Organisations
- Introduction to Different Board Types
- Stakeholder Mapping and Engagement for WIM Organisations
- Effective Communication for WIM Organisations
- Team Management: Volunteer Recruitment and Committee Leadership
- Mining 101
- Addressing Gender-Based Violence and Harassment in Mining
- Establishing and Sustaining Mentoring Programmes for Women in Mining
- Securing and Managing Funding for Women in Mining (WIM) Organisations
- Finance Management
